

## Vacancy - Maintenance Fitter/Boiler Operator

Briar Chemicals is focused on providing the best contract manufacturing and site services to customers in the agrochemical, fine and specialty chemical industries. Based in Norwich, Norfolk, Briar Chemicals is a leading large scale chemical company delivering customers' needs utilising its broad asset and technology base underpinned by its quality driven project management.

We currently have a vacancy for a Maintenance Fitter/Boiler Operator to join the Maintenance team within the Engineering department.

The role involves a wide range of maintenance tasks, in particular:

- Mechanical maintenance on a variety of process plant including; pumps, vessels, separation equipment, heat exchangers, hydraulic /pneumatic and piping systems.
- Fault diagnosis, strip down and re-assembly of equipment.
- Basic electrical work on such items as electric motors and starter circuits
- Equipment inspection, computerised report writing and general use of information systems.
- Operation and maintenance of the CHP plant, which includes gas compression, steam generation, electricity generation.
- Daily and weekly monitoring of plant.

### Your Qualifications / Experience

Prospective candidates should:

- Have an NVQ level 3 or other relevant vocational qualification in mechanical maintenance
- Have relevant hands on experience in engineering maintenance
- Be computer literate and have basic electrical skills.

### Additional Information

- The successful candidate will need to be flexible with a positive attitude.
- Have the ability to work within teams and on an individual basis.
- An understanding of boiler operations, maintenance and repair would be an advantage.
- This post is regarded as an important role in maintaining a high level of availability of the process plants therefore participation in a contractual call-out system is a condition of this post.
- Training will be given to the successful candidate to work effectively within a modern 24/7 chemical production unit

This is a full time role - Monday to Friday, 39 hours per week.

Closing date for vacancy is 11 November 2018

**Interviews for shortlisted candidates will be held on the 29 and 30 November 2018**

If you would like to be considered for this role, please apply in writing to Human Resources, Briar Chemicals Ltd, Sweet Briar Road, Norwich NR6 5AP or email [HR.Recruit@briarchemicals.com](mailto:HR.Recruit@briarchemicals.com) submitting your CV and application letter stating why you believe you are a suitable candidate.
