

Job Vacancy – Analyst

This is an excellent opportunity for a self-motivated individual to take on a new role within a successful chemical manufacturing Company with over 50 years of chemical manufacturing heritage and an established reputation for excellence. Briar Chemicals is focused on providing the best contract manufacturing and site services to customers in the agrochemical, fine and specialty chemical industries. Based in Norwich, Norfolk, Briar Chemicals is a leading large scale chemical company delivering customers' needs utilising its broad asset and technology base underpinned by its quality driven project management.

We currently have a vacancy for an **Analyst**. This is an excellent opportunity for an individual to join the Analysts team within our QHSE department. The successful candidate will assist with tasks enabling the day to day running of the Analytical Services Team in support of the manufacturing operations of the Norwich site.

Reporting to the Analytical Team Leader, duties and activities include:

- To measure the compliance of raw materials, intermediates, effluent samples and manufactured products against defined specifications using both wet chemistry and instrumental techniques.
- To report the results of the analysis and any significant deviations from defined specifications.
- Organise and prepare samples for sub contracted analysis where no in-house capability exists.
- Maintenance and calibration of various analytical equipment.

Your Qualifications / Experience

The ideal candidate will possess:

- Good A-Level results, one of which is for Chemistry.
- Full, clean Driver's Licence and a willingness to drive a company vehicle.
- Effective collaboration and analytical skills, with an attention to detail and ability to prioritise tasks.
- Experience of HPLC, GC and IC analytical techniques would be an advantage, but full training will be provided.
- Proficiency with MS Office and general IT usage.

Additional Information

The successful candidate will be required to work in a safe and efficient manner in a laboratory, maintaining excellent housekeeping, whilst adhering to appropriate safety, environment and risk management systems.

Full training and support will be provided to enable the job-holder to succeed.

What we can offer you

In addition to your salary, we offer the following benefits:

- 25 days' annual leave plus Bank Holidays.
- Group Personal Pension scheme - we will match your contributions, plus 2% extra, up to a maximum of 10% employer contribution.
- Contributory Private Healthcare scheme
- Employee Assistance Programme
- Life Assurance
- Flexitime
- Cycle to Work scheme.
- Free, onsite car parking.

This is a full time role - Monday to Friday, 39 hours per week.

Closing date for vacancy is 25 September

If you would like to be considered for this role, please apply in writing to Human Resources, Briar Chemicals Ltd, Sweet Briar Road, Norwich NR6 5AP or email HR.Recruit@BriarChemicals.com submitting your CV and application letter stating why you believe you are a suitable candidate.
